Marks Screenshots:

The screenshot shows a Google Chrome browser window displaying the Coursera course completion page for 'IoT Cyber Security'. The browser tabs include 'Cybersecurity and the Internet', 'Course Certificate - Cybersec...', and 'Coursera | Online Courses'. The address bar shows the URL 'coursera.org/learn/iot-cyber-security/home/assignments'. The Coursera logo and 'Explore' button are visible at the top. A search bar contains the text 'What do you want to learn?'. The user's profile 'Aditya Pratap Singh' is shown in the top right corner. The left sidebar contains links for 'Overview', 'Grades', 'Notes', 'Discussion Forums', and 'Messages'. The main content area displays a message: 'You passed this course! Your grade is 100.00%.' Below this is a table with the following data:

[Accomplishments](#) > [Course Certificate](#)

A sample certificate for Aditya Pratap Singh, awarded by Coursera for completing the course 'Cybersecurity and the Internet of Things'. The certificate includes the Coursera logo, the course title, and a signature line for Professor John Doe.

A blue rectangular box containing a white circular profile picture of a person with glasses and a checkmark icon in the top right corner. To the right of the profile picture, the text reads: "Completed by Aditya Pratap Singh", "November 5, 2019", "4 weeks of study, 2-3 hours/week", "Grade Achieved: 100.0%", and "Aditya Pratap Singh's account is verified. Coursera certifies their successful completion of Cybersecurity and the Internet of Things."
